# The Unique Collection Of Hotels & Resorts

“From our finest grape juices we produce all kind of wines – red, white, rose and sparkling. There are two ranges of wine, allowing us to demonstrate the inspiring quality of the wine-grapes and the full potential of the region. Of course wines such as Shiraz, Cabernet Sauvignon one the World’s favorite wines, are also made here under ‘Chateau des Brumes’ brand. The wines are French in style with an emphasis on structure, texture, balance and complexity.

It is considered as good as the local French wines with its high standard making procedure, a qualified chateau, or even the oak barrels for aging wine that we also imported from France”. **Mr. Viravat Cholvanich, Chairman of Village Farm Co. Ltd** said, “Wangnamkhieo is well known for its fresh air, a great ozone place in Thailand. That is one of the reason why the grapes here are very well harvested. People love the winery tour while they are getting comfortable with our spacious accommodation, the Chalet of Switzerland, we called. And of course, our tasty meal that goes very well with the wines.”
